Antibacterial Computer Accessories

Computer Keyboards, SterileFLAT®

Conventional-style, computer keyboards enclosed in a nano-silver impregnated, latex-free, antibacterial, flexible silicone membrane barrier, allowing use in chemical/medical and microbiological or cleanroom laboratory environments.

- ◆ Totally flat surface; easy to clean and sanitise
- ◆ Can be cleaned using antibacterial- and alcohol-based reagents or Chlor-clean
- ◆ Keyboard underside incorporates an easy-clean cover
- ◆ Ultra slim profile with soft touch, tactile keys
- ◆ Comply with current electrical safety and recycling legislation, CE, FCC approvals and ROHS compliant
- ◆ Compatible with Microsoft™ Windows™ operating systems
- ◆ Magnetised versions available to allow attachment to compatible metal surfaces or an accessory mounting plate

As described. Available wired, with USB connection or wireless, with 2.4GHz frequency connection, USB port for dongle connection and 2 x 1.5V AAA batteries. Overall 400 x 130 x 22mm W x D x H, weight 0.8kg.

- FZ650-15** Antibacterial keyboard, wired
- FZ650-25** Antibacterial keyboard, wireless
- FZ650-35** Antibacterial keyboard, wired, magnetic
- FZ650-45** Antibacterial keyboard, wireless, magnetic

Accessories and Spares

- FZ652-06** Mounting plate, metal, with adhesive pad to allow attachment of FZ650-35 or FZ650-45 to any surface
- BL610-08** Spare 1.5V AAA battery for FZ650-25/-45 (2 required)

Computer Mice, SterileMOUSE®

Stylish, ergonomically designed, computer mice with nano-silver impregnated, antibacterial silicone body, sealed command buttons and page up/down slider control.

- ◆ Comfortable, rubberised surface
- ◆ Laser diode optics, 800dpi optical sensor with 3000 frames per second scan rate provide precise, smooth cursor tracking
- ◆ Allow cleaning using antibacterial- and alcohol-based reagents or Chlor-clean
- ◆ Compatible with IBM AT or Windows™ operating systems
- ◆ Comply with current electrical safety and recycling legislation, CE, FCC approvals and ROHS compliant

As described. Available wired, with USB connection or wireless, with 2.4GHz frequency connection, mini-USB receiver and 2 x 1.5V AAA batteries. Overall 114 x 65 x 41mm W x D x H, weight 0.12kg.

- FZ654-10** Antibacterial mouse, wired
- FZ654-20** Antibacterial mouse, wireless
- BL610-08** Spare 1.5V AAA battery for FZ654-20 (2 required)
