

# Safety

## Semi-durable Protective Clothing

Limited life garments manufactured in DuPont TYVEK®, a 100% polyethylene, spun-bonded, filament sheet material having characteristics making it ideal for clean room and controlled area applications or where hazard containment renders the use of semi-disposable clothing preferable.

- ◆ Chemically and biologically inert
- ◆ Strong and durable, withstands laundering/ re-use several times
- ◆ Low porosity
- ◆ Excellent barrier characteristics
- ◆ Antistatic
- ◆ Low linting
